| Law Making | The laws that would be passed are such that would be people friendly, implementable and can stand the test of time.  
|           | Citizens’ contributions to law making through four(4) service windows i.e. Public Hearing, Contributions/Comment Desk, Town Hall meetings and suggestion boxes. |
| Legitimizing | Whenever the name of a Political Appointee is submitted before the House for confirmation, the House would ensure that:  
|            | Such nominee is well qualified for the post being considered for.  
|            | Members of public are entitled to express their reservation, criticisms or any other comments on such nominee to the House in form of petition.  
|            | All the petitions would be considered and thorough investigation would be conducted.  
|            | Where necessary the petitioner may be required to appear before appropriate Committee of the House.  
|            | In treating the petition, appropriate discretion would be applied to safeguard the petitioner.  
|            | The result of the processes would be the factors that would determine the decision of the House on whether or not to confirm such appointment. |
| Petition | All petitions received by the House must be endorsed by a member, for same to be processed.  
|          | All petitions would be referred to the appropriate Committees of the House and would be looked into dispassionately.  
|          | As part of the legislative process, the Committee Secretary who is part of the Committee Secretariat would communicate the petitioner within 48 hours of receipt of the petition. The officer would also give the petitioner his |
name, designation and contact details.

- Petitioners are free to make enquiries on the state of their petitions at any time during the office hours.
- Formal response would be communicated to petitioners within 2 weeks of receipt of same.
- House decisions on petitions are usually communicated through its resolution to parties involved and MDA’s where necessary, which marks the end of the process.

| Oversight Functions | As part of its legislative oversight function, the House supervises the activities of the MDAs through the relevant Standing Committees:
- The relevant Committees of the House conduct quarterly, mid-year and annual checks on the books of Ministries, Departments and Agencies (MDAs) government to determine the level of compliance with laws, regulations and policies.
- On the spot assessments of projects through scheduled and unscheduled visit to project sites.
- Petitions, complaints, comments and contributions are also received from the citizens.
- Appropriate measures would be taken on any deviance in services. Such sanctions ranges from verbal/writing warnings,
- Consultants are usually engaged by committees in technical areas. |
| Publication of Hanzard | Hanzards are verbatim report of House proceedings and shall be made available for sale to the public at the Publications Directorate for a fee of; one copy ₦350:00 and ₦5,000:00 for Bound Volume. |
| Protest | The right of the citizens to peaceful protest is recognized and assured.
- Part of the Assembly’s responsibility is people’s representation and to protect their rights therefore the doors of the House is open to peaceful protest.
- Earnest action will be taken to address grievances and necessary contact would be made within one week of the protest.
- Time line for the resolution of the grievances is subject to the nature of the dispute
- However, be assured that update would be available on request at our Service Delivery Unit. |
